The Prairie Spirit Schools Foundation will be celebrating student learning at a special event in March. “A Celebration of Learning - A Fundraising Cocktail Party” will be held on Thursday, March 22, at the Brian King Centre in Warman.

All funds raised at this event will fund Learning Grants that are designed to support innovative learning opportunities for Prairie Spirit students. Learning Grants focus on enhancing student engagement by empowering young people to explore their passions and create change in their classrooms, their schools and their communities.

“We are really excited to host this event,” said Denise Kendrick, the Foundation’s Fund Development Manager. “It will be a one-of-a kind event where our donors, sponsors and guests will have opportunities to interact with our students and educators, to see where grant funds are being used and to learn what the impact has been.”

Student entertainment and a student art auction will be highlights of the evening, along with wonderful food.

The Prairie Spirit Schools Foundation was established in 2014 to engage partners in public education to enrich opportunities for students to become contributing citizens and learners for life. The Foundation encourages and facilitates community and corporate support and involvement in public education.

“Our vision for the Prairie Spirit Schools Foundation is a community that values innovation in public education and supports a lifetime of learning,” explained Bonnie Hope, Foundation Board Chair.

Sponsorship opportunities are available and tickets are \$25 each. More information can be found at [www.prairiespiritschoolsfoundation.ca](http://www.prairiespiritschoolsfoundation.ca) or contact the Foundation office at [psfoundation@spritsd.ca](mailto:psfoundation@spritsd.ca) or 306-683-2881.
